

SHIH YI
Forging Industrial Co., Ltd

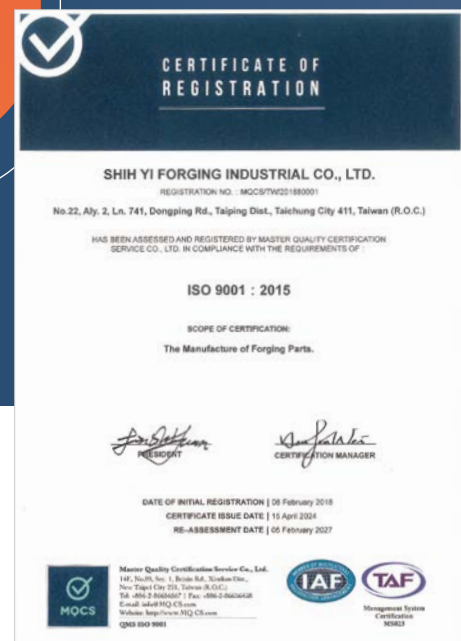

ABOUT US

Shih Yi Forging was founded in 2010, ISO9001 and IATF16949 certified. We specialized in Steel Forging, Aluminum Forging, and CNC machining, providing high-quality, cost-effective solutions to global industries.

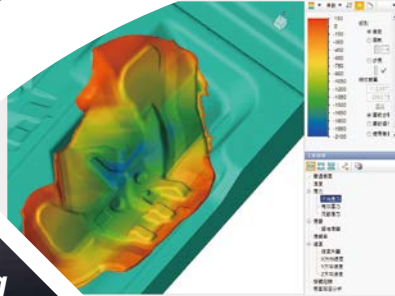

Our dedication to precision manufacturing, efficient production, and seamless communication ensures that we meet the diverse needs of our customers with excellence.

Headquartered in Taiwan, our manufacturing facilities are located in Taichung, Changhua, and Vietnam Phuc Khanh Industrial Park. We offer customized solutions, from prototype development to mass production. By combining expertise, innovation and cost efficiency, we deliver reliable, high-performance, and one stop shop for forged and machined components.
